Limited Warranty Agreement

For a period of 36 months or 36,000 miles

Terms . . . Provided that the customer complies with any required follow up as may be listed below, Osborn's Automotive shall specifically warrant to the buyer the parts and labor described on the front of this repair order and not any other materials, labor or any other components or parts of the vehicle, against failure caused by defects in materials or workmanship for the time or duration listed above, whichever occurs first. If later repair on parts and labor purchased is necessary within the time and mileage specified in the terms of this warranty, then it will be provided without charge to the buyer, within the limits of this warranty, at the warrantor's shop. **If the customer is unable to return the vehicle to Osborn's Automotive at the time warranty repairs are needed, they must first contact us to make arrangements for the warranty repairs to be handled off-site, or the transportation of the vehicle back to Osborn's Automotive.** This is not a "guaranteed or your money-back" warranty. This warranty covers parts and labor only and is only extended to the customer named. It does not cover such things as towing, loss of use, loss of earnings, personal injury damages, per diem nor any other consequential or incidental damages. The warrantor's obligation under this warranty is limited to replacing or repairing defective parts and correcting defectively furnished labor. The warrantor is responsible only for the parts and labor purchased by the customer on the invoice that prompted the issuance of this warranty and not for subsequent failure of, or damage resulting from other related parts or adjustments. This warranty will not be valid if the vehicle has subsequently been abused, misused, or if subsequent repair, service, disassembly or alteration has affected the warranted items. In all cases, the warrantor reserves the right to refund the full purchase price of goods and services purchased herein, in lieu of any claim or claims under this warranty. The warranty terms herein apply to both written and implied warranties. All implied warranties are limited to the terms of this written warranty. Some states do not allow limitations on how long an implied warranty lasts, or the exclusion or the limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may have other rights, which vary, from state to state.
